GENERAL CONSENT FOR DENTAL TREATMENT

I understand the purpose of this general consent is to raise my awareness of risks that are common-place in many dental procedures. I understand my dentist reserves the right where appropriate (for example: for root canal therapy, extractions, and other oral surgery, treatment of gum disease, placement or restoration of implants, crowns, bridges, and dentures) to provide me with a more specific informed consent discussion.

I understand that every dental patient has the right to informed consent. That means that as a patient or as a legal guardian for patient I should understand what treatment is being proposed, what the possible complications and risks are, and what the alternatives are to the treatment. Of course, one alternative for me is to do nothing, although that carries with it its own risks. My signature below confirms that I understand that no dental treatment is completely risk free, and that my dentist will take reasonable steps to limit any complications of my treatment and to provide competent dentistry with comfort and care.

I understand that some after-treatment effects and complications tend to occur with regularity.

For routine fillings, dental cleanings, prescriptions of medications, I understand this includes but is not limited to: temporary soreness, temperature sensitivity, unusual reaction / allergy to medications given or prescribed. Also, medications have common side effects that are listed by the manufacturer. Further, if I am taking other medications, my dental medication could have an adverse interaction, and I need to fully disclose all of my medications to the dentist and pharmacist. This includes herbal supplements.

For the administration of local anesthetic, I understand that for many treatments and procedures I will be given a local anesthetic injection and that in a certain percentage of cases patients have had an allergic reaction to the anesthetic, and adverse medication reaction to the anesthetic, or temporary or permanent injury to nerves and / or blood vessels from the injection. For oral surgery, I understand that there is always a risk of post-operative infection, nerve damage, and iatrogenic injury (meaning a complication resulting from treatment). In rare cases, the complications from surgery can be permanent, disabling, or even cause death. I understand that the injection area(s) may be uncomfortable following treatment and that my jaw may be stiff and sore from holding my mouth open during treatment.

I understand that all treatments and procedures have a risk of separation or breakage of dental instruments which may become lodged in a gum or other soft tissue or aspirated. Should I experience any of these or other conditions during or following treatment, I will contact my dentist as soon as possible.

I understand that the practice of dentistry is not an exact science and my dentist offers no guarantees or assurance as to the outcome or results of treatment or surgery. I have the right to ask my dentist for more information if I have any concerns about my procedures and the possible side effects or complications, and I promise to use that right to its fullest extent if for any reason I feel I am not fully informed about my procedure, the risks of the procedure, and my alternatives to the procedure.

☐ By checking this box, I hereby freely and voluntarily consent to the use of my photograph and / or testimonial to be used to market or advertise Dr. Bauder's dental practice, including the office website.

I have read and understand the above and I have had the opportunity to ask questions.

OFFICE POLICIES

Welcome to our office and thank you for choosing Ridgeway Family Dentistry to serve all your dental needs! We are dedicated to providing the highest quality dental care and service to our patients. We ask that you take a couple minutes to thoroughly read over our office policies. If you have *any* questions, please do not hesitate to ask, we are here to help you in any way we can!

Appointments

Our staff enters all patient information into our electronic health record system and verifies insurance benefits prior to scheduled appointments. This allows for faster check-in at the front desk. Our goal is for patients to see the doctor or hygienist as close to their scheduled time as possible. As a courtesy to patients, if you have not already confirmed electronically, a reminder phone call will be made two business days prior to scheduled appointments, allowing you to cancel without incurring a missed appointment fee. If you will be late to your appointment, please let our office staff know as soon as possible. If you are more than 15 minutes late for your appointment, you will be asked to reschedule or wait until patients that arrived on time have been seen.

We see patients on an appointment basis only. We consider an appointment made to be a commitment between our office and the patient. Our doctors and team are counting on you to be here, on time, as scheduled. We kindly request an advance notice of at least 48 hours if you need to make a change to your reserved appointment time. If you are unable to provide us with advanced notice due to extenuating circumstances we are unaware of, please call us and let us know as soon as possible to avoid any fees. If you are unable to make your appointment and fail to give us advanced notice a $25 fee will be charged to your account. Arriving 15 minutes late to your appointment is considered a late cancellation and is subject to the same fee.

Regular Visits

Regular follow-up care is very important in preventing cavities and maintaining long-lasting dental health. We encourage our patients to return for their recommended visits and will inform you when you are due for your next visit at the end of each appointment. We may contact you via mail, email,

Emergencies

If you have a dental emergency, please call the office right away and we will do everything possible to get you in at the earliest opportunity. If we are out of the office or it is after hours, we have an answering machine with instructions on what to do. Please understand we try to keep your waiting time to a minimum and we know your time is valuable. Sometimes there are circumstances out of our control that dictate a waiting time longer than usual. When this happens we try to give our patients a courtesy call to let them know there may be additional waiting time. Please make sure we have current contact information for you on file so that we may contact you when needed.

Transferring Of Records

You must sign a written request if you want to have copies of your records and / or x-rays sent to another office. By doing this, you authorize us to include all relevant information, including your payment history. If you are requesting your records to be transferred to us from another doctor or organization, you authorize us to receive such information.

I have read and understand the *Office Policies* listed above and I have had the opportunity to ask any questions. I agree to comply with the policies above.

In our office, we strive to maximize your insurance benefits and make any remaining balance easily affordable. If you do not have dental insurance we have financing options listed in further detail. *Please let us know immediately if you have any questions after reading this page.*

We will assist you with your benefit eligibility before treatment to help you calculate your costs and maximize your insurance. We will be sensitive to your financial circumstances and do everything possible to help you achieve oral health. Ultimately, however, you are responsible for payment regardless of any insurance companies arbitrary determination of usual and customary rates.

Types of Insurances

Participating or PPO: We are NOT Participating Providers with any insurance companies. Every policy is different and it is each patient's responsibility to be familiar with their insurance coverage and to determine whether or not we are the appropriate provider for their policy.
Non Participating: Insurance is a contract between you and your insurance company. We are NOT a party to this contract, we will bill your insurance company as a courtesy to you. Although we may estimate what your insurance company might pay, it is the insurance company that makes the final determination of payments made on your behalf. You agree to pay any portion of the charges not covered by insurance. If your insurance company requires a referral and / or preauthorization, you are responsible for obtaining it. This means it is your responsibility to know the limitations associated with your insurance policy and to see that your insurance company covers your bill. Failure to obtain the referral and / or preauthorization may result in lower payment or no payment from your insurance

Monthly Statement

If you have a balance on your account, we will send you a monthly statement.

Payment Options

Payment for services is due at the time services are rendered unless prior arrangements have been made. Checks that are returned to our office from your financial institution are subject to a $25.00 returned check fee. This fee covers the processing fees that are charged to our office. We would be happy to discuss our charges and how they relate to your particular situation. We also realize that temporary financial situations may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account. Most often, financial misunderstandings can be managed with a phone call. Please feel free to contact our wonderful staff at anytime to discuss any concerns you may have.

We accept the following forms of payment:
Cash | Check | Visa | Master Card | Discover | American Express

Estimated amounts not covered by insurance are due the day the treatment is rendered. Any dental insurance claim remaining unpaid 90 days from the date of treatment was rendered will be due immediately from the patient.

If you have dental insurance:

1. You pay your deductible if you have one, and any estimated out of pocket costs the day the treatment is rendered.
2. You choose to pay your treatment in full by cash or credit and have your insurance company send payments on your behalf directly to you.

If you DO NOT have dental insurance:

1. You pay by one of our accepted forms of payment on the day the treatment is rendered.

2. On extensive treatment, you may prefer to secure a bank, credit-union, or other third-party financing for the entire amount and make payments to the lending institution.
3. We offer Care Credit with one year no interest, on approval of credit. Care Credit is a third party lender and is an effective solution for many patients who choose to make payments for their dental care. (Ask the front desk for more information on applying for Care Credit).

NOTE: We DO NOT offer in house monthly payment plans.

Credit Balances And Refunds

Occasionally an insurance company will pay more than we estimated on your behalf. If this occurs we will issue you a refund check. We issue these checks on a monthly basis and it is your responsibility to monitor your explanation of benefits (EOB) from your insurance company to see if there has been an overpayment on your behalf. If you have a credit balance of less than $10.00, it will remain on your account for future treatment unless you contact us otherwise and request a check be issued to you.

Worker's Compensation / Personal Injury

We require full payment up front unless other arrangements have been made prior to your appointment.

Credit History / Waiver of Confidentiality

You give us permission to answer questions about your credit experience with us. We have the option to report your account status to any credit reporting agency such as a credit bureau. You understand that if this account is submitted to an attorney or collection agency, if we litigate in court, or if your past-due status is reported to a credit reporting agency, that any treatment received at our office may become a matter of public record.

I have read and understand the *Financial Policies* listed above and I have had the opportunity to ask any questions. I agree to comply with the policies above.
